

Annotations

1. Homepage displays listings with most views
2. Upon clicking, directs user to account settings and other settings. The user can also edit/create account. (see edit acc info page)
3. Upon clicking browse, user is directed to the most popular listings near them, serving as an extension of point 1
4. Upon click, a dropdown that allows them to refine their search results
5. Upon clicking, shows a list of listings that the user previously saved. If not signed in, takes user to sign in. If no saved listings, displays option to search for listings to add. Similar to amazon cart.

Annotations

1. Placeholder image
2. Upon clicking, takes user to a new account page
3. If user already has an account, upon clicking continue they are directed back to the home page

The image shows a web browser window with the address bar displaying `https://unemployedexperiencedesign.com`. The main content area contains a large square placeholder image with a diagonal 'X' and a blue callout bubble labeled '1' pointing to it. To the right is a 'Login - Signup' form. The form has two input fields: 'username' with a person icon and 'password' with a key icon. Below these is a grey 'continue' button with a blue callout bubble labeled '3' pointing to it. At the bottom of the form is a link that says 'new user? - create account' with a blue callout bubble labeled '2' pointing to it.

Annotations

1. Currently being displayed
2. Directs user to a pre-written FAQ on commonly faced issues with creating/editing an account.
3. Assumes user is in the United States
4. Only updates the user information once the user clicks save. Upon clicking, user is prompted to confirm their changes.

The screenshot shows a web browser window with the address bar displaying `https://unemployedexperiencedesign.com`. The page layout includes a left sidebar with a menu and a main content area titled 'Edit Profile'. The sidebar menu contains four items: 'Profile', 'Notifications', 'Preferences', and 'Help', each preceded by a checkbox. The 'Profile' item is selected and highlighted with a blue circle containing the number '1'. The 'Help' item is also highlighted with a blue circle containing the number '2'. The main content area is titled 'Edit Profile' with a blue circle containing the number '3' next to it. Below the title, there are several form fields: 'First Name' and 'Last Name' (two separate boxes), 'Email' (one long box), 'Contact Number' (one long box), 'Address' (one long box), 'City', 'State', and 'Zip' (three separate boxes), and 'Password' (one long box). At the bottom right of the form area, there is a 'Save' button highlighted with a blue circle containing the number '4'.

Annotations

1. User clicks to search up specific keywords such as zip code, address, or city
2. Expands to show more details of location such as a specific address, state, zip code, or city
3. All other filters that do not match the major ones go here. On-campus/off-campus, safety rating, walkability, etc.
4. Shows listings based on inputted filter criteria. If filters aren't populated, simply shows random/popular listings that are roughly close to their location. Each box contains a picture of a house, its price, and its address.
5. Directs user to a brief article describing the company and its mission
